CITY RESOLUTION NO. 073-2017

A RESOLUTION AUTHORIZING THE CITY MAYOR TO ENTER INTO A MEMORANDUM OF AGREEMENT FOR AND ON BEHALF OF THE TUGUEGARAO CITY GOVERNMENT WITH THE DEPARTMENT OF HEALTH, REGIONAL OFFICE NO. 2 (FOR THE IMPLEMENTATION OF THE INTEGRATED CLINIC INFORMATION SYSTEM (iClinicSys))

WHEREAS, Republic Act 7160, otherwise known as the 1991 Local Government Code, mandates the devolution of the delivery of health services and facilities as one of the basic functions and responsibilities of all Local Government Units or LGUs at all levels;

WHEREAS, information and communication technologies are identified essential tools to improve health care, increase the level of engagement of each individual in his/her own care, provide quality services, support sustainable health care financing system, practice good governance and promote universal access for all Filipinos;

WHEREAS, the Philippine eHealth Strategic Framework and Plan 2014-2020 which provides a sense of direction and outlines measurable goals for the National eHealth Program or the use of information and communication technologies in health has the vision that by 2020, "An ICT-enabled Philippine Health System towards better and equitable access to quality health care services, and easier access to secure real time and quality health data and information for evidenced-based decision making" is achieved;

WHEREAS, one of the technology solutions developed by Department of Health (DOH) through Epidemiology Bureau (EB), Disease Prevention and Control Bureau (DPCB) and Knowledge Management and Information Technology Service (KMITS) which implemented at point of care is the iClinicSys, a reference model for electronic medical records and health information system primary care facilities that satisfy Philippine Health Insurance Corporation requirements for benefit packages through capitation and DOH reporting necessities including national health data standards;

WHEREAS, iClinicSys software is provided free to interested primary health care facilities including the training and technical support if needed, subject to compliance to health information interoperable standards, acceptability of ICT infrastructure in place and commitment for primary care facility management and operation support including availability of at least two (2) iClinicSys designated encoders;

WHEREAS, the LGU desires to implement and use the iClinicSys as an electronic medical record and health information system which will be used for health services to help manage the patient demographics, medical histories, diagnoses, treatments, medications, laboratory requests and results and generate the required date for their use and also submission to DOH and PhilHealth;

WHEREAS, the LGU agrees that they shall comply with all required or applicable Philippine governing laws, policies, ordinances, memoranda and other issuances or mandates related to the iClinicSys. Further, the LGU agrees to hold harmless and indemnify DOH against any loss or damage, to include reasonable attorney's fees that may be sustained by reason of the failure of the LGU to comply with such laws, policies, ordinances, memoranda and other issuances or mandates and vice versa.

NOW, THEREFORE, RESOLVE, as it is hereby **RESOLVED**, to authorize the City Mayor to enter into a Memorandum of Agreement for and on behalf of the Tuguegarao City with the Department of Health, Regional Office No. 2 for the implementation of the Integrated Clinic Information System (iClinicSys).

On motion of Hon. Jude T. Bayona and without any objection, **CITY RESOLUTION NO. 073-2017** was **APPROVED** under suspended rules.
