**WHEREAS**, it is permissible under the Local Government Code that a city, municipality or barangay, through an ordinance, may temporarily close or regulate the use of any local street, road, thoroughfare or any other public places where flea or night market may be established and where goods, merchandise, foodstuffs, commodities or articles of commerce may be sold and dispensed to the general public;

**WHEREAS**, it is practical for local residents and visitors to buy their necessities after working hours up to the late evenings as is being done in urban cities for their convenience and at the same time giving the opportunity for these businesspersons to sell their wares.
